Teva's Shared Solutions[®]

Benefits Discussion Guide

The Benefits Specialists at Teva's **Shared Solutions[®]** are here to help you find affordable access to COPAXONE[®] (glatiramer acetate injection) therapy. Before calling, please have your health insurance card and pharmacy benefits card (if applicable) nearby, and note the following information:

- **Your COPAXONE[®] dose if you are currently a patient (COPAXONE[®] 40 mg; COPAXONE[®] 20 mg)**
- **Name of prescribing physician**
- **Current healthcare plan information, including:**
 - Plan name
 - Member ID
 - Group Number
 - RxBIN Number
- **Type of healthcare plan (employer-provided, government, or private)**
- **Any recent changes in coverage**
- **Additional healthcare plan options**
- **Your preferred pharmacy**

You may also wish to discuss household income, recent or upcoming changes in employment status, and the benefits of enrolling in COPAXONE Co-pay Solutions[®].
